## Admissions and Procedure

Admission in any of the courses at NDIE includes the following process.

1. NDIE Prospectus: Acquiring NDIE prospectus and admission pack from the NDIE office.
2. Application Form: Completion and submission of the application form along with certified copies of all the previous degrees, certificates, transcripts and experience letters/certificates to the NDIE office. Candidates are advised to bring original and copies of their degrees, mark sheets, certificates and other documents when they are called for interview. The copies are attested by the Director during the interview.
3. Personal Reference Form: Submission of the confidential personal reference form completed by a person (other than a relative), who has good understanding of the candidate's personal capabilities.
4. Professional Reference Form: Submission of the confidential professional reference form completed by the candidate's employer or professional colleague.
5. Medical Form: Submission of the medical form completed by the candidate. This form will be used to identify whether or not the candidate need special medical assistance.
6. Entrance Test and Interview: Appearing in an entrance test and an interview at NDIE.
7. Admission Offer: Receiving and accepting the admission offer by submitting the fees.
